

MUHAMMAD AZAMUDDIN BIN NOHD AZMI

Penang, Malaysia · +60 11-2364-0973

Openhope.kl@gmail.com

Experienced IT professional with 10 years in web development, software engineering, and digital marketing. I hold a Bachelor's degree in Information Technology and have worked at Adin and b2Wise. At Adin, I gained experience in digital marketing and web solutions, while at b2Wise, I focused on frontend development, improving website performance and user engagement. I'm known for delivering quality results, working well with teams, and continuously improving my technical skills. I'm passionate about using technology to solve problems and drive business growth.
